Vision

We are seeking a real God who transforms real people.

As we see God bring more clarity to this vision we are seeing many men and women getting set free of wounds and addictions. They come to know Christ in a truly transformational way.

Mission

Working Together to Build Healthier Communities by Coming Alongside Churches, Ministries and Individuals.

We are working with churches, businesses and community agencies to build a structure of discipleship and mentoring to give people a healthy chance to reclaim the life God has for them.

Purpose

...equip God's people to do His work and build up the church, the body of Christ. — Ephesians 4:12

We believe and are seeing Christ awaken His church in our region to be intentional and effective in coming against the areas where the enemy has had great victory.

Crossroads Outreach Center, Inc. is a 501(c)(3) nonprofit ministry based on Christ's call to build His church and the Kingdom of God. Our purpose, by invitation, is to encourage churches and ministries to come together to pour into their community and each other. We do this by offering specific services to churches, ministries and individuals.

Reclaim

Crossroads is Under Construction!

Crossroads Outreach Center is at another level of expanding. Previously we worked out of multiple buildings. We were blessed with a donation to purchase the 18,000 square foot building where our Reclamation Workshop is located. We have moved our offices to the same location and are now able to do most of our ministries under one roof. This building needs considerable work to make it completely functional.
